1994 - 1995

He entered the school young, naive, and afraid. It can also be argued that he had been immature. Deep down, he felt-- he hoped-- it would be more than just an education: new friends, new impressions, new thoughts. Was he correct (in coming)? Was Brother Robert Sullivan's "Malden Catholic community" a reality or was it all just some clever advertisement invented to trick him and all the others into coming? He did not see it yet - could not discern reality from his fear and anxiety.

First day: a myriad of new faces. He knew some; but would he ever truly know the others?

More importantly, would they ever know him?

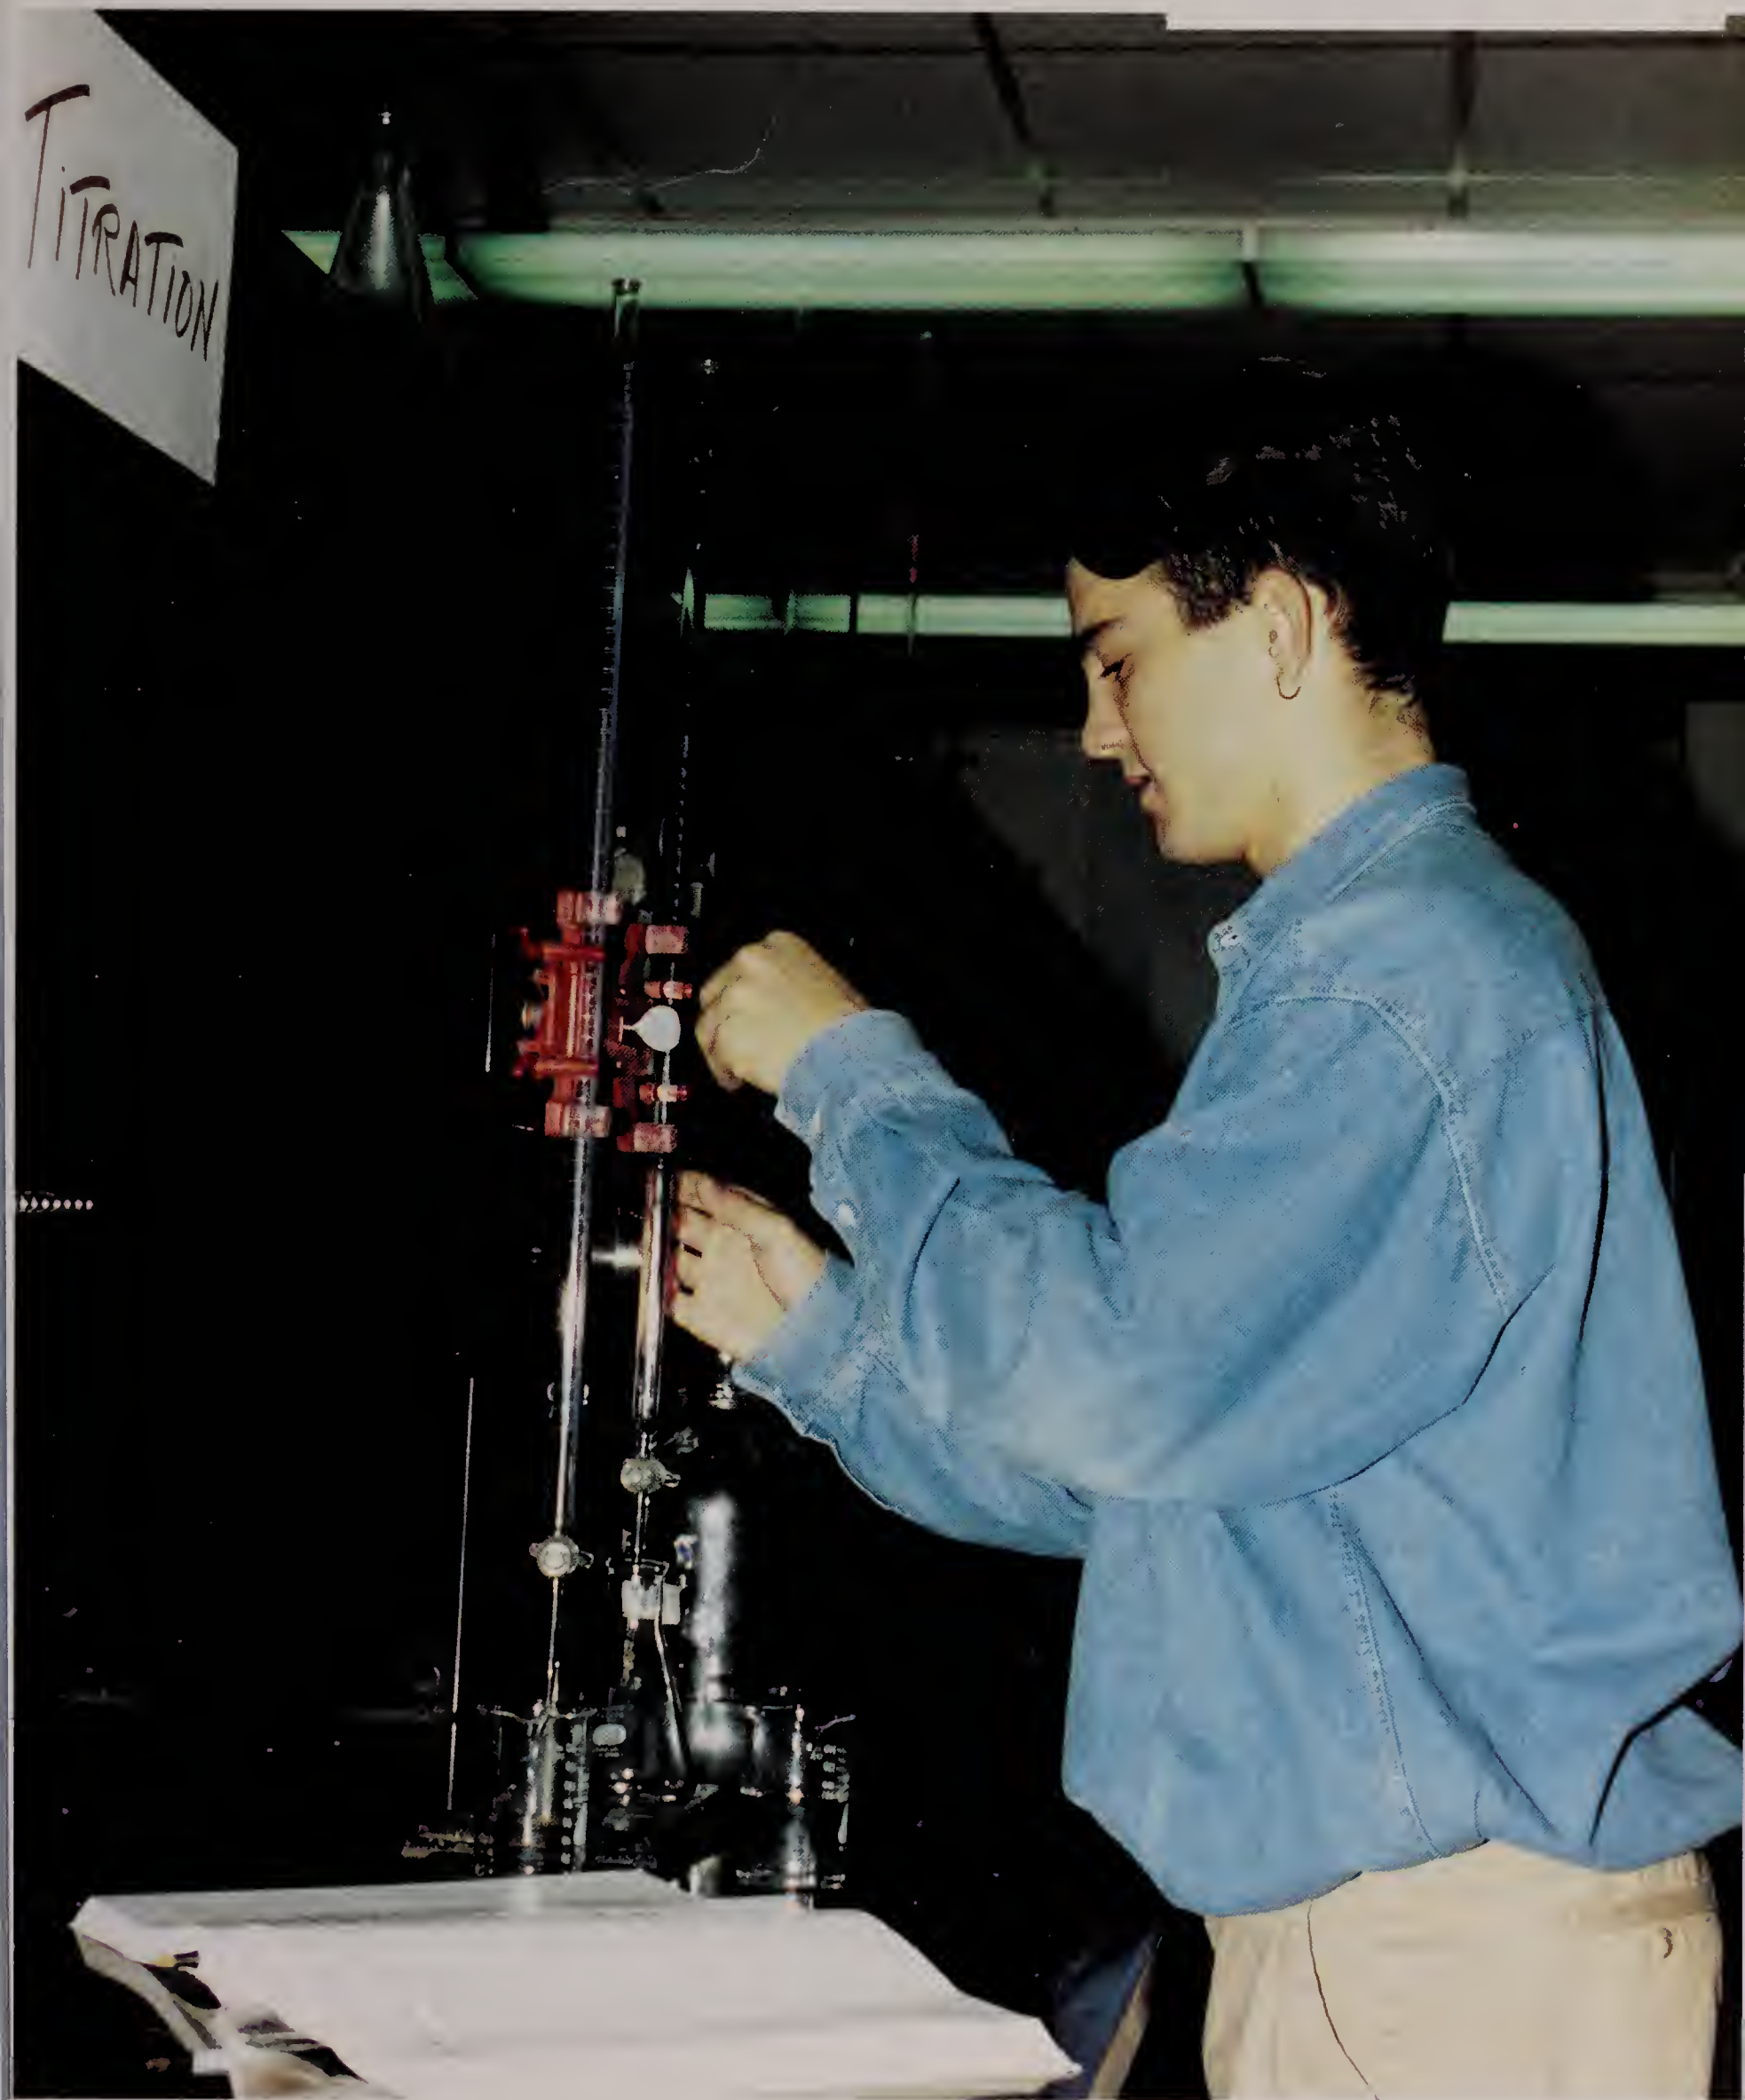

The endless daily schedule stretched. Was he a freshman or a sophomore when that happened? Maybe, he was a junior. Poorly separated, a valiant attempt is made to put education aside for a vacation, but it is futile. The lessons and the rhetoric reverberated throughout the corridor and time never once stopped to listen. First day, midterms, finals: finally over; or just about to begin again? Groups like his, people like him, entered, a continuation of the cycle. "Look at all those little kids; they're all over the place!" He was there now — he could say that.

He had made his friends and, miraculously, no enemies. Respected, he hoped, and much different. No more was he naive and immature - until next year when he entered a new M.C. They really did know him, and he knew them. He realized that all, ascending and descending in front of him, was more than an education. Yes, Brother Robert Sullivan and Brother Cook had presaged correctly; he was part of this "community", this family. He had not only benefited from Malden Catholic... Malden Catholic had benefited from him. The years will pass, but Malden Catholic will always be a part of him; its contribution will always endure.

As we walk out the doors of Malden Catholic High School for the last time, we leave behind the building in which we have grown during the most important years of our lives. We've shared experiences here at MC that have brought us closer together. As freshmen, we were intimidated by our surroundings; as seniors, we watched the newest batch of freshmen going through the same experiences. Throughout the years we have supported each other on the athletic fields. Together, we helped to give MC some of its most exciting moments. We witnessed the last minute football upset over Xaverian High School on Thanksgiving Eve. Who could forget the unprecedented soccer victory over St. John's Prep? Surely, no one could outplay our Catholic Conference Champion Basketball Team.

In essence, we succeeded at giving ourselves to Malden Catholic. No other class could match our timing during the Calendar Drives, when we raised all of the funds on the last night before the deadlines. We have become so close because of the difficulties we faced together. No matter how we tried to rearrange our schedules, all of us had to face those lab reports. No one could escape Mr. Safier's comprehensive biology tests. We all made it through that English/history term paper. And who could forget Brother Cremin's physical education final, the grueling obstacle course?

It was these challenges that brought us so closely together. When times were really tough, we pulled together and faced them. Whether we realize it or not, we have become a part of each other. We are our own Malden Catholic family. But like all good things in life, our MC experience must come to an end. Some of us will go on to universities and colleges, and some of us will carve different paths in life. Whatever paths we choose, remember:

Malden Catholic has built you into a person who is prepared to take on whatever lies ahead. You have the tools to achieve. Your dreams can come true; go out and change the world, for you can now do it. As for me, I will never forget the times I had, the friends I made, and the cherished memories at Malden Catholic High School.

So, now, I say "Thank You," to my parents, to God, to Malden Catholic, and to my fellow seniors for changing my life in the greatest of ways. Remember that while we leave behind the building, Malden Catholic will be with us forever.

Sports' Summary

Fall, 1994: Soccer

What was supposed to be a year of rebuilding for the Varsity Soccer Team turned out as one of the most thrilling in the program's history. Playing a schedule of top-notch opponents the club finished with a record of 10 wins and 8 losses. Their conference rival, St. John's Prep, went on to win the Division 1 State title, and Westford Academy, who defeated the Lancers in a regular season match and knocked them out of the Division 2 tournament, became the Eastern Mass. Champions in Division 2.

There were certain advantages that Malden Catholic had over their rivals. With the expert leadership of twelve-year Head Coach Stephen O'Neill, there was little that could go wrong. Along with the help of assistant coaches Manny Costa and Stephen Russo'93, Coach O'Neill once again led his players to a successful season. There were low points and high points, but the squad showed its determination on all occasions. Under Captain Albert Russo'95, the Lancer defense carried the squad to new heights. With Russo'95 at sweeper, Gino Ciampi'97 at stopper, and John Pericola'95 & Paul Scenna'96 at right and left fullback, the Lancers shut down many top-notch offenses. Captain Albert Russo'95 and Luigi Mirisola'96 went on to become Eastern Massachusetts All-Stars, and Catholic Conference First Team All-Stars. Among other major accomplishments, the team defeated B.C. High School twice in one season, and also showed championship caliber by defeating Hamilton-Wenham High School in the preliminary round of the Division 2 Championship.

The team's seniors, John Sartori, John Pericola, Eric Curran, Anthony DeLuca, Albert Russo, Sal Gabriello, Greg Maganzini, Ryan Burns, and Steve Galante led the team to new heights and further boosted Malden Catholic's reputation as a top-level soccer program.

The Lancers opened their eighteen game season against their city rival, Malden High School. The Lancers were favored in this match and proved the odds to be accurate. With goals from **Luigi Mirisola'96**, **Sal Gabriello'95**, and Captain **Albert Russo'95**, the Lancers sailed through the Tornadoes by a score of 3-1.

Next, the team was matched with a formidable opponent, Concord-Carlisle. MC would drop this contest by a 3-1 score, but the team learned an important lesson, the need for teamwork. The lone MC goal came from **Luigi Mirisola'96**.

Applying the lesson they had learned from the Concord-Carlisle game, the Lancers pulled off a huge 2-1 upset against the B.C. High School Eagles, who were ranked in the top twenty in the state polls. The intensity level of the squad overcame B.C.'s soccer ability. Senior **Sal Gabriello** scored in the first half with a solo rush to give the Lancer's a 1-0 lead. However, the Eagles didn't stop playing, and came back to even the match at 1-1. With only a few minutes left in the game, a freekick awarded to the Lancers was converted by Captain **Albert Russo'95** to give the Lancers the 2-1 victory.

The second return match played between the two teams ironically ended in the same fashion. MC won again by a score of 2-1. **Luigi Mirisola'96** provided the first MC goal, and **Peter Castelli'96** scored the game winner on an assist by Captain **Al Russo'95**.

Game four of the regular season was played against Catholic Conference rival Catholic Memorial. The Lancers were 4-2 victors after the final whistle. The Lancer offense experienced a scoring burst from senior **Sal Gabriello**, who scored all four of the Lancers' "GOOOOAAAALS!!".

Though MC had experienced a comfortable victory over Catholic Memorial in the first confrontation, the second match ended in favor of Catholic Memorial, who stunned the Lancers by a 1-0 score.

The next challenge the Lancers had to meet came against Peabody High School. Though they were losing by a score of 1-0 at half time, **Captain Al Russo** equalized the match on a free kick early in the second half. From then on, it was all Malden Catholic. The Lancers rallied to win 4-2. **Luigi Mirisola'96** had a goal and two assists, and **Sal Gabriello'95** and **Anthony DeLuca'95** each contributed with a goal apiece.

The third conference rival that Malden Catholic played was Don Bosco. MC cruised by this match with a 5-0 victory. **Sal Gabriello'95** had two goals, **Luigi Mirisola'96** had a goal and two assists, and **Ryan Burns'95** had a goal and one assist.

Left: Steve Galante'95 sneaks up on a CM midfielder; **Below:** Dom Assini'97 (#3), John LoPriore'96(#6), and James Perry'96 (#8) vs. Xaverian at Westwood.

The second match again went in favor of the Lancers. MC again gained a 5-1 victory over Don Bosco. **Sal Gabriello'95** had two goals; **Luigi Mirisola'96** had one goal and two assists; **Sal LoGrasso'96** and **Ryan Burns'95** each scored a goal, and **Captain Al Russo** had two assists.

The truest test that the Lancers had during the regular season came against St. John's Prep. Despite tremendous efforts by the Lancer team, they were outmatched. St. John's, who defeated MC by a score of 6-1, went on to win the Division 1 State title. The lone MC goal was scored by Junior **Peter Castelli**.

Despite even more intense efforts on the Lancers' part, again the St. John's squad would defeat the Lancers by a 4-1 score. The lone MC goal came from **Luigi Mirisola'96**.

The next match came against another conference rival, the Xaverian Hawks. Xaverian squeaked by the Lancers with a 3-2 victory. Down by three goals at the half, the Lancers nearly rallied back to victory, but could not find the net for a tying goal. **Sal Gabriello'95** and **Eric Curran'95** scored the Lancer goals, and **Luigi Mirisola'96** assisted on both goals.

The return match between the two teams proved to be a perfect reflection of the first. Despite tireless efforts by the Lancers, and a near comeback, the Lancers fell for the second time by a 2-1 score. The MC goal was scored by **Sal Gabriello'95**.

After a tough ride through the Catholic Conference, the Lancers stepped aside to face Chelsea High School. Attempting to get back on track, the Lancers defeated Chelsea by a five to one score. **Luigi Mirisola'96** scored three goals **Al Russo'95** had a goal and an assist, and **Sal Gabriello'95** scored a goal.

The next opponent MC faced was Scituate High School. The Lancers defeated Scituate by a 4-1 score. **Luigi Mirisola'96** scored two goals, and **Sal Gabriello'96** scored two goals and had two assists in the Lancers' 4-1 victory.

On a roll, the Lancer's faced a top-ranked Division 2 powerhouse, Westford Academy. Almost a repeat performance of the Xaverian series, the Lancers outplayed the Grey Ghosts on the field, but lost the game on the score board, 3-2. After a goal by **Luigi Mirisola'96**, and one by **Greg Maganzini'95**, the Lancers could not find an opening for the third goal.

As the season was beginning to wind down, the Lancers once again needed to win. Against Austin Prep, they did just that. The Lancers came out on top by a score of 2-0. Both MC goals were scored by **Luigi Mirisola'96**, assisted by **Sal Gabriello'95** and **Captain Russo'95**. It was a true bright spot for the Lancers which came at the perfect time in the season.

Playing against their local rivals, Medford High School, the Lancers lost 2-1 in the final game of the regular season. The MC goal was scored by **Sal Gabriello'95**.

Tourney Time:

The Malden Catholic Lancers qualified for the 1994 Eastern Massachusetts soccer tournament for the fourth consecutive year. With high expectations, the Lancers drew Hamilton-Wenham High School in the preliminary round. Though the scoreboard indicated a close game, the Lancers were in control during most of the match as they knocked out Hamilton-Wenham by a 2-1 score. Both MC goals were scored by **Sal Gabriello'95** assisted by **Luigi Mirisola'96** and **Peter Castelli'96**.

The second game of the tournament came against a regular season rival, Westford Academy. Though it was a perfect opportunity for Lancer revenge, the Grey Ghosts again wormed by the Lancers 2-1, with a late game-winning goal with four minutes left in regulation. It was a rainy afternoon, and despite the poor field conditions, the Lancers severely outplayed their opponents. The Lancer defense, led by the outstanding play of **John Pericola'95** and **Albert Russo'95**, again had an excellent performance. The MC goal was scored by **Luigi Mirisola'96**.

FOOTBALL

Sept. 16

B.C. High 24 MC 7

The Lancers kicked off the 1994 season ready to roll, clad in their flashy new blue and gold uniforms. But they hit a roadblock in the form of B.C. High. MC's offense was less than spectacular, scoring only 1 touchdown on a **James Perry'96** 1-yard keeper following a B.C. fumbled kickoff. However the Lancer defense did show flashes of brilliance holding B.C. High to only 1 offensive TD.

Sept. 24

Holyoke 41 MC 7

The four-hour bus ride back and forth to Holyoke was pleasant compared to the two-hour game. Holyoke rolled over the Lancers with overall team speed and quickness. The Lancer receivers and **Perry** were contained all day by the Holyoke secondary and the Lancer running game barely totaled 100-yards combined. The only MC score of the day came on a 10-yard pass from **Perry** to a diving **Steve Gritti'95** in the corner of the end zone.

Oct. 1

Xaverian 48 MC 8

Another week on the road proved to be another hard loss for the blue and gold, this time at the hands of the Hawks. Xaverian's defense stuffed the Lancer offense and held **Perry** to 98 yards passing with 2 interceptions. The Xaverian offense rolled, rushing for over 300 yards. The only scores of the day for the Lancers came on a **Steve Gritti'95** blocked punt and a **John Michael LoPriore'96** 1 yard run.

Oct. 7

Westford Academy 27 MC 20

The bus rolled to a stop in Westford for MC's final game of a four week road trip. The Lancer's started sluggish, but turned this game around into one of the most exciting and heartbreaking of the season. The Lancers trailed 21-7 at the half only to score 2 touchdowns in the in the last 15 minutes of play. **Perry** led the

Lancers and his crew of receivers **Ryan Fortier'95**, **Ryan McDermott'97** and **Steve Gritti'95** to the tune of 256 yards passing. **Perry** hit **McDermott** late in the first half for the first touchdown of the night. Then, late in the third quarter, the Lancers marched and **Perry** capped it with a 1 yard keeper for the second score. MC then recovered the ensuing onside kick; a few plays later **Perry** again hit **McDermott** for his second touchdown of the night. With less than a minute to play, MC recovered another onside kick. The Lancers marched, but were stalled on the Westford 4 yard line as time expired.

Oct. 14

MC 20 Medford 0

MC returned home to Brother Gilbert Stadium for the first time all season, ready to dish out a beating, and Medford got it in the form of a 20-0 shutout. The game was not even as close as it looked as the Lancer defense led by **Seniors Jeff Smith, Steve Byrne, John Kelley, and Matt McKenna**, never let Medford reach the MC 20-yard line. **Perry'96**, **Gritti'95**, and **McDermott'97** all scored as the Lancers notched their first victory of the season.

Oct. 21

Matignon 46 MC 18

A poor showing for the Lancer squad in their second home game of the year as Dee Brown and Matignon torched the Lancers in a blowout. Not much to be said about this game for the Lancers. **Perry** did throw for 200 yards and 1 touchdown. The one TD pass came on a short screen pass with some nifty moves from **Ryan Fortier'95** as he pranced for 35 yards.

Nov. 4

MC 34 Plymouth South 22

The Lancers had a strong showing against Plymouth South with the Lancer underclassmen leading the way. The Lancers dominated this one from the get-go with Plymouth South scoring two of their touchdowns in the fourth quarter against the second team. The Lancer defense was a force, led by **Steve Byrne'95** (1 sack, 5 tackles) who had been a mainstay on the defensive line all year. The Panthers were held to 25 yards total offense in the first half. **Perry** threw for 161 yards and 3 TDs. **Steve Gritti'95** was on the receiving end of one, with sophomore

fullback **Dominic Assini** catching two. Junior tailback **John Michael LoPriore** rushed for 75 and 2 TDs as well.

Nov. 12

MC 24 CM 22

Without a doubt the most exciting game of the year. For everyone involved and especially the seniors, it will be one to remember. CM stormed to an early 15-0 lead. However, the Lancers cut the lead to 22-12 in the third quarter, behind the heroics of **James Perry** (251 yard, 3TDs). The Lancers were faced with having to score twice with only 5 minutes left. **Perry'96** hit **McDermott'97** for a 45 yard completion, and, then, hit **Ryan Fortier'95** for a short score to the corner of the endzone. The Knights then got the ball and tried to run the clock, but were unable to convert a first down. The Lancers started again from the CM 45 with 3:20 to go. **Perry** ran off a series of completions then found **Gritti'95** in the back of the endzone for the deciding score with 50 seconds to go. But it was not over. CM quarterback Jason Quinlan ran off 5 strait completions to the Lancer 20 yard line before the clock finally expired.

Nov. 18

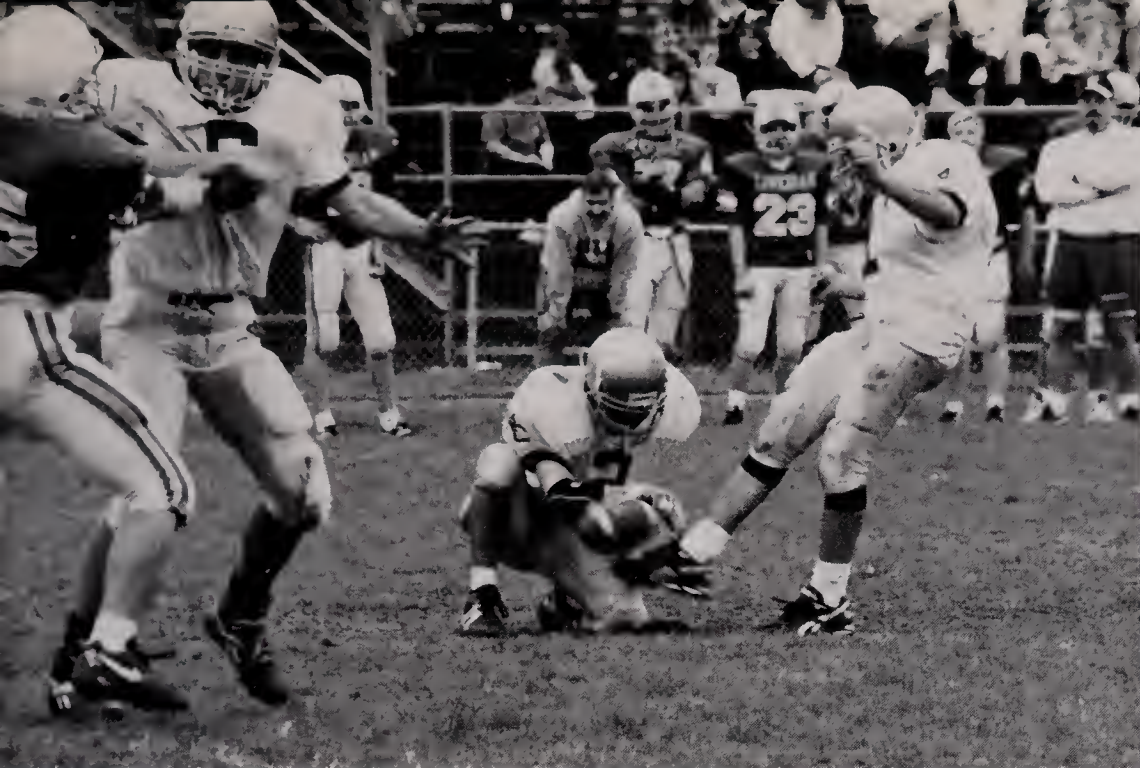

St. John's Prep 47 MC 7

The Lancers started off the game with a great drive marching to the Prep 35 yard-line but were halted by an interception returned 30 yards by Rob Conrad of St. John's. That was the story of the night for the Lancers: TURNOVERS-- five interceptions on the evening & the Lancers coughed up the ball twice on the ground.

Nov. 23- Thanksgiving Eve

MC 37 Don Bosco 8

This was the last game in the Blue and Gold for eight seniors: **Steve Byrne, John Kelley, Jim Forrest, John Finn, Jeff Smith, Steve Gritti, Ryan Fortier, and Matt McKenna**. Junior **James Perry** threw for 119 yards and a touchdown. **John Michael LoPriore'96** rushed for 40 yards, 2 touchdowns, and a 2-point conversion. GRADUATION

Today holds mixed emotions for each of us. For myself, I am deeply saddened to be leaving Malden Catholic.... But, I am excited to move on and confident that I, as well as my fellow graduates, will succeed with the education Malden Catholic has provided us.

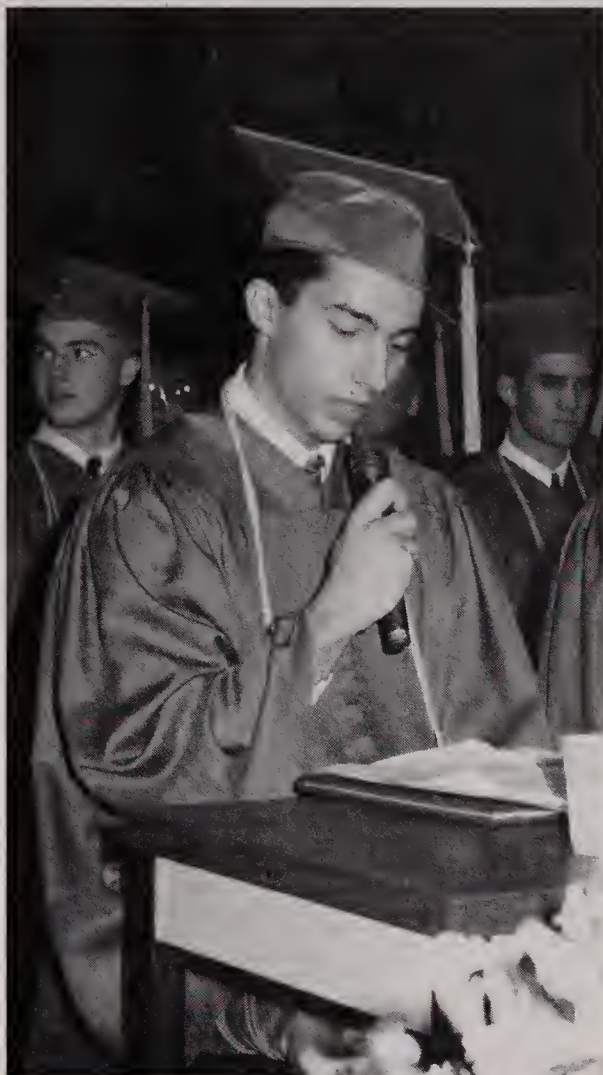

Like many of you, I love my school. This love... derives from the many common experiences that we as a class have been blessed to share.... We have experienced the departure of our much loved Headmaster, Brother Robert Sullivan, and we have enjoyed the directions inspired by his enthusiastic successor, Brother Richard Cook.... We have experienced the camaraderie of four years of growth....

Most notably, the love for our school has been rooted in the men and women who have taught us. Through their dedication and their love of teaching, they have opened our eyes to the endless possibilities of our world. They have broadened our perspective immeasurably. Our faculty revealed their dedication in their daily routines. It was never a surprise, for instance, to see Brother Fred Eid manage his time between the newspaper, the swim team, and his students.... One had to look no further than Mr. Richard Safier for a model of dedication, whether teaching in the classroom, or designing sets for our drama club, or preparing for the Quiz Bowl, or insuring that all Honor Society functions ran smoothly. Each of us, I am sure, will remember with thanksgiving teachers who have meant so much to us. Their showing of deep and abiding affection has made our stay at Malden Catholic such a memorable one.

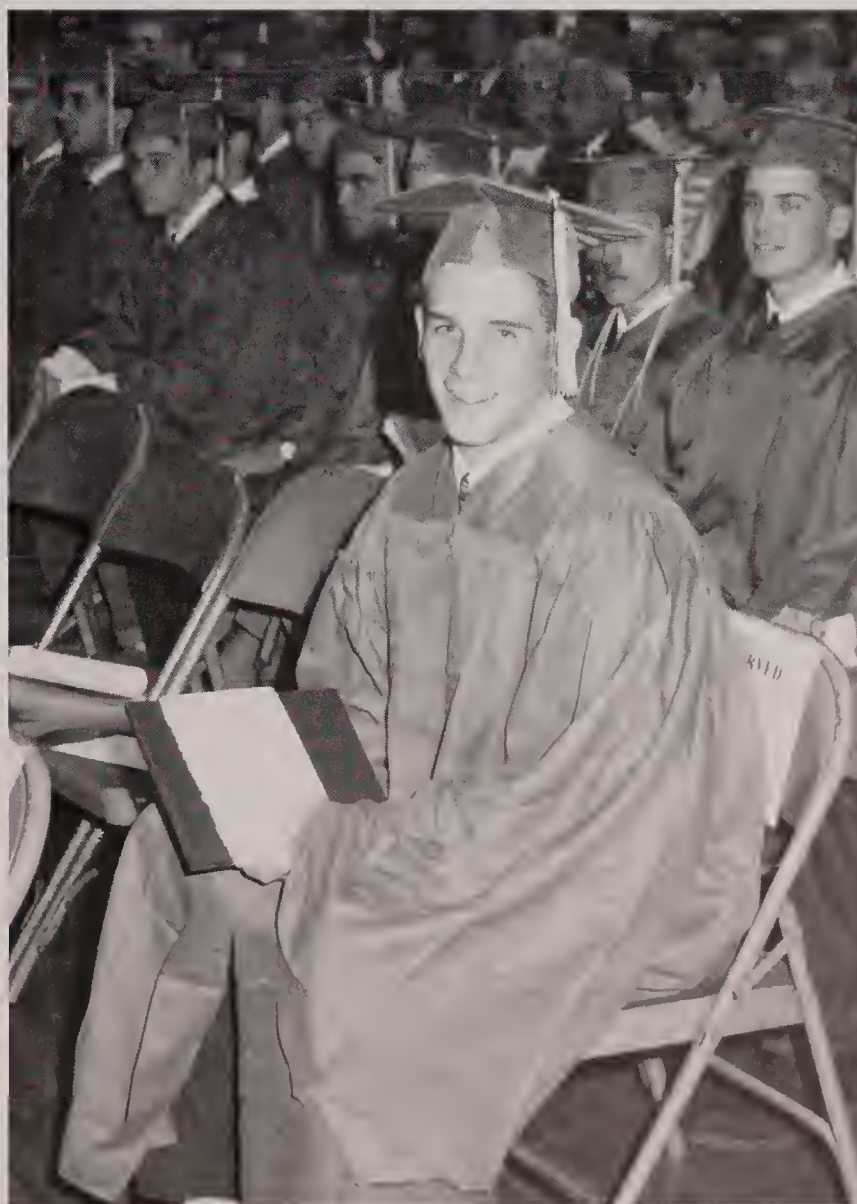

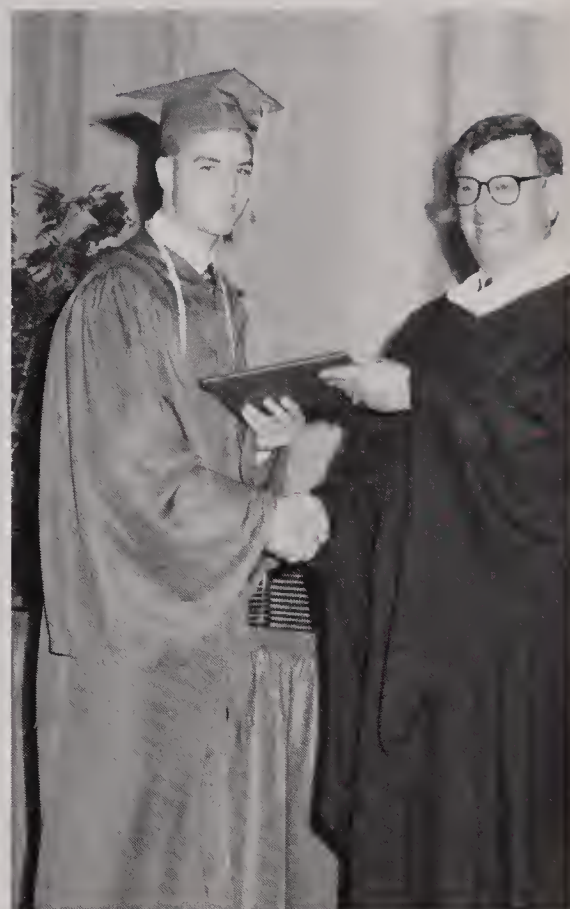

....Most of all, we love MC for teaching us how to excel not only in Academics but at life. Malden Catholic has instilled in each of us a sense of Christian values and duty to our community.... This call to duty has been seen in the community atmosphere which has grown within this school.

....As we prepare to depart from Malden Catholic, we thank our parents, family, faculty and friends for all they have done for us. Thanks to their support and their love, we sit here as accomplished as we are today, the Malden Catholic Graduating Class of 1995.

Fifty-ninth Annual Commencement Exercises

Below: Dennis Carrera and Stephen Byrne

As I look before me, I see both a telling past and a promising future. Our parents and the 50th Anniversary Class have lived through what we are so anxiously anticipating. While we look forward to a world of promise, they look back at the fullness of lives lived. Our parents and elders have taught us... through concrete example and experience. In essence, they once were what we are today, and we may only hope to turn out as well as they have.

What have we learned at Malden Catholic? We learned about confidence and self-assuredness. We learned about the joys of success and about the occasional acceptance of failure. We learned about winning and about losing.

We learned about becoming young men ready to face new adventures and challenges, secure with the strength of the education that was so carefully provided to us by the teachers here at Malden Catholic.

.... I wonder what our world will be like in the year 2020, when we meet for our 25th reunion. Will we have made a difference? Will we have made the world a better place? Will we have achieved our goals?

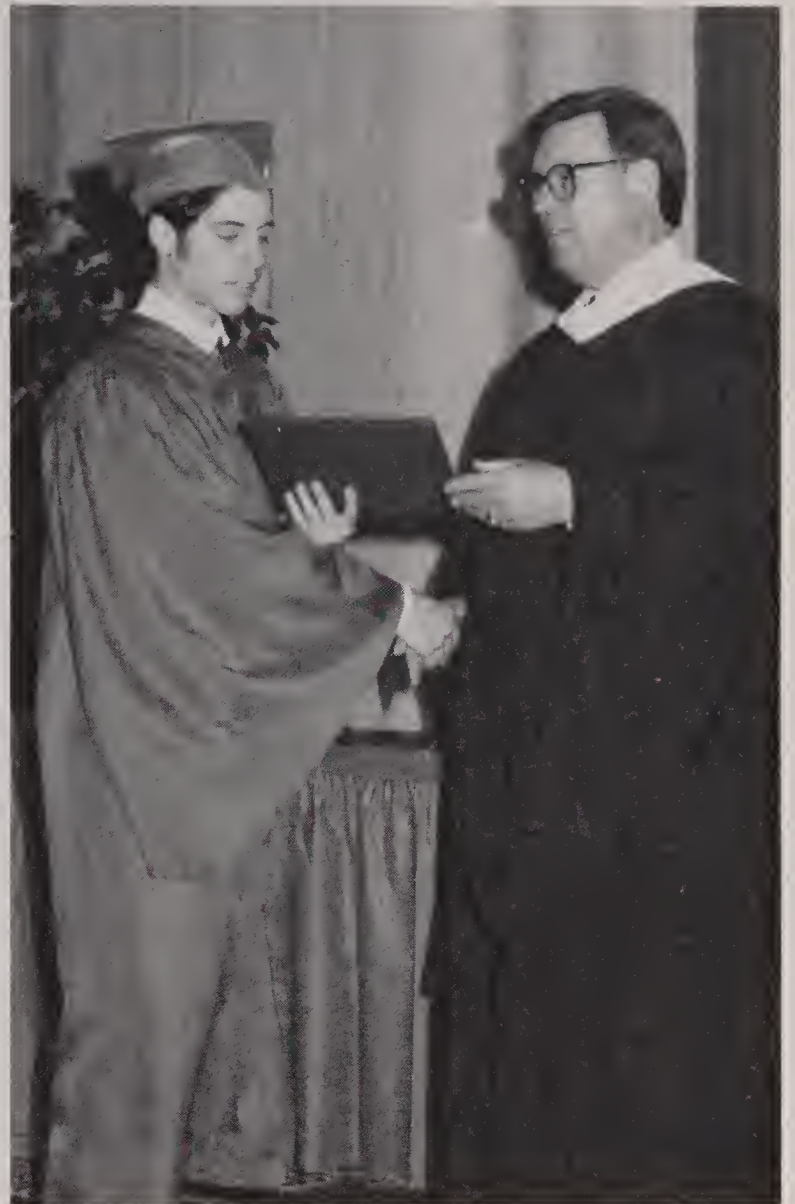

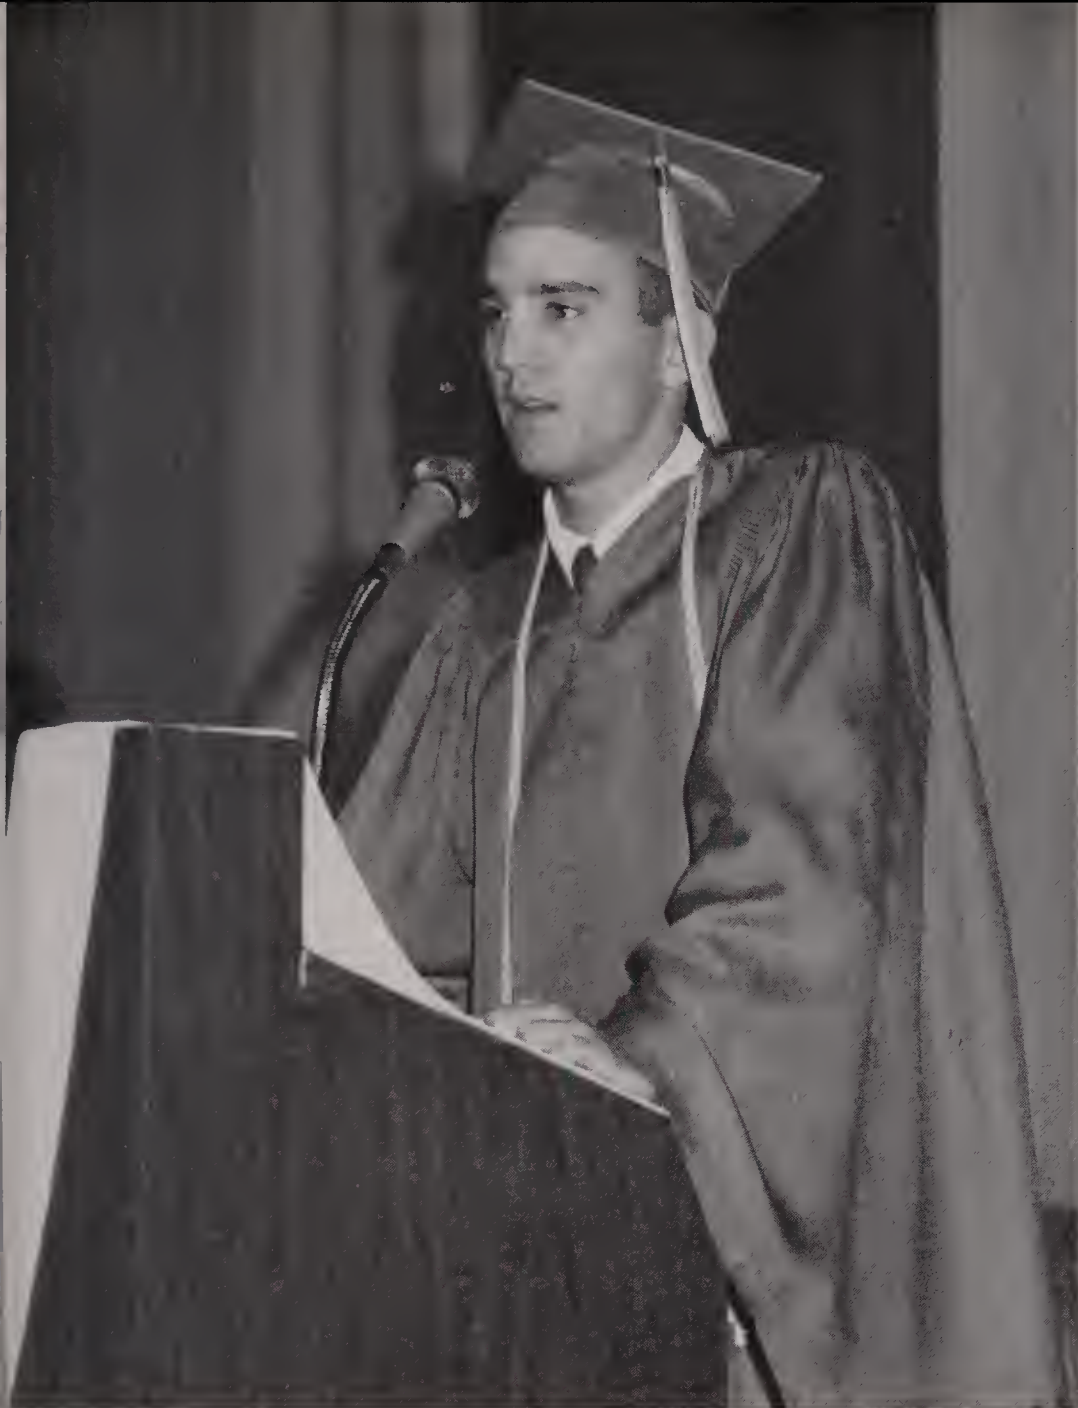

.... My own inspiration finds expression in the words of cultural icon Walt Disney, who said, "If you can dream it, you can do it." He questioned limits just because they existed. He continually sought new and innovative ideas. We might do well to take his lead and pursue our dreams with the same fervor he did.

.... British poet William Wordsworth once wrote, "Here I stand, not only with the sense of present pleasure, but with pleasing thoughts that in this moment there is life and food for future years."

So, too, my fellow graduates, do I have a present pleasure in your company and in the company of our distinguished jubilarians, and of our loving parents. The treasured moments we have shared at Malden Catholic do, indeed, hold life and nurture for our futures.

In Memory of Brother Myles Philip McManus, C.F.X.

**Born in Veazie, Maine:
January 16, 1928**

**Entered the Xaverian Brothers:
February 15, 1946**

**Member of the
Malden Catholic Faculty
1962-1967; 1970-1987; 1991-
1995**

**Died at Xaverian House,
Danvers, MA: April 28, 1995**

Certainly, generations of young adults responded to [Brother Myles'] help. This was obvious in the many affectionate names they gave him: "Coach" for his role as trackcoach; "Bump" for his practice of bumping students into lockers in the narrow corridors at the old MC on Highland Ave....The affection students had for him was evident when, as head coach of the cross country or track team, he would get up to speak at an awards assembly. Applause would ring out each time he would open his mouth to speak, until, finally, he would throw his hands in the air and ask his assistant coach of many years, his former student and longtime friend, Lou Ruggerio to hand out the awards. The applause, all done in good fun, was truly a sign of the esteem and the affection with which students held Brother Myles. I am sure that in his later years at MC, as Freshman guidance counselor, the students came to know him as someone who still just wanted to help kids.

His trackmen responded to the help he offered. Brother Myles loved coaching track. Myles taught us life's lessons. The reasons why many of us have succeeded in life is due, in no small part, to the common sense approach he took toward us. He was proud of us, too, whether we won or lost. He could remember every significant race we ran. He kept us humble though. Anyone who ran for him will remember his gruff voice chiding us as we ran by the sheep-fold at the Fellsway, or around the corner at Pine Banks, or by the zoo parking lot at Spot Pond, or even by his legendary "HQ" at the Reservoir. Always there was his hand rotating in that circular motion and his trademark line, "Crank

Brother Myles McManus, CFX

it up, you stiff!" ... He spoke with great fondness of his teams both in the old school and at the new school. He kept in touch with many of his "old boys" long after we had left MC

... Brother Myles' co-workers responded to his personality as well: those who worked with him on Highland Ave., his fellow teachers at Crystal Street and, especially, those who worked with him in guidance these past few years. All of them had a deep respect and appreciation for Myles. In him, they found someone who could listen to them and who respected them. In him they could also look to someone who knew that his priority as a teacher, as a coach, as a religious Brother, was to share the love of God with others in the common, ordinary, unspectacular ways of life.

*Mr. John Carroll,
Thanks for Thirty Years of
Service to Malden
Catholic:*

Mr. John Carroll has taught the glories of Beowulf, Chaucer, and Shakespeare to thousands of Malden Catholic students since 1965. A member of the Malden Catholic Class of 1961, John Carroll more than any one other individual represents the transition from the old Malden Catholic "Blue Jackets" who inhabited the "old school" on Highland Avenue to the new Malden Catholic "Lancers" on Crystal Street. Those of us who have known Mr. John Carroll join in congratulating him and in celebrating his competence, professionalism and dedication.

*Mrs. Helen Bockley,
Thanks for Twenty-five
Years of Service to Malden
Catholic:*

Mrs. Helen Bockley has served in a number of capacities since she first joined the Malden Catholic Staff in September of 1970. She began as a part-time secretary in the school library. Later, she assisted the Guidance Office in sending out letters of recommendation. After a few years, she was committed to full time work in the Guidance Office. Her main service to the class of 1995 and to all of Malden Catholic's recent graduates has been in keeping files updated and putting together college applications for the seniors. Always dedicated, positive and friendly, Mrs. Bockley's care and proficiency truly enhance the Guidance Office's efficiency. Her constant cheerfulness is one of those elements that make Malden Catholic such an enjoyable place to be.
